

Commercial Broker

Are you skilled, independent and hard-working?

Then you have the opportunity to join one of Perth's most rapidly expanding broking businesses!

Broad Finance are looking for brokers who are capable of delivering results for their clients, and who have a genuine interest in success and customer service.

If you have experience in sub-divisions and developments this will be highly regarded, but isn't essential.

If you have the independence to manage and grow your own client base, you will be directly rewarded for your efforts with a generous remuneration package.

To apply please email your CV together with a covering letter to admin@broadgroup.com.au
